Background

- 3 As announced on 26 October 2022, the Issuer intends to proceed with the establishment of a non-operating holding company and to separate the Issuer's banking and certain non-banking businesses into two groups (the "**Restructure**"). The non-operating holding company is to be established by a scheme of arrangement under Part 5.1 of the Corporations Act 2001 (Cth) (the "**Scheme**"). The Scheme was approved at a meeting of shareholders of the Issuer on 15 December 2022 (the "**Scheme Meeting**").
- 4 The Terms contemplate the establishment of a non-operating holding company ("**NOHC**") for the ANZ group and allow the Issuer to amend the Terms, without the approval of holders, to substitute the NOHC

as issuer of ordinary shares on Conversion, where certain conditions are met. Those conditions were met with the approval of the Scheme at the Scheme Meeting.

- 5 The Issuer has amended the Terms to effect the substitution of ANZ Group Holdings Limited (ACN 659 510 791) ("**ANZ NOHC**") as the issuer of ordinary shares on Conversion, as set out in the schedule to this notice ("**Amended Terms**") with effect from the date that the Scheme is implemented, as described below.
- 6 The Australian Prudential Regulation Authority has given its approval of the Amended Terms and has confirmed that the Securities will continue to be eligible for inclusion as Tier 2 Capital of the Issuer.
- 7 The approval of holders is not required for the Restructure or to amend the Terms. A holder does not need to take any action in response to this notice.

Amendments to Securities Documents

- 8 In summary, where a Security is Converted under the Amended Terms:
 - (a) each Security (or part of a Security) that is being Converted in whole will be automatically transferred from the holder to ANZ NOHC; and
 - (b) each holder (or a nominee (as applicable)) of the Security or portion thereof being Converted will be issued a number of ANZ NOHC ordinary shares calculated in accordance with the Amended Terms. It is expected that ANZ NOHC ordinary shares will be listed on the ASX.
- 9 The amendments to the Terms do not affect the circumstances in which the Securities are required to be Converted or the other obligations of the Issuer in respect of the Securities.
- 10 The Amended Terms will take effect when the Restructure is implemented, which is expected to be on or about 3 January 2023. If the Scheme is not implemented the Amended Terms will not take effect.
- 11 Further information about the Restructure can be found on the Issuer's website: www.anz.com/schememeeting.

- (vii) unless otherwise specified to the contrary, any reference to a particular time is a reference to Sydney time;
- (viii) headings are inserted for convenience and do not affect the interpretation of these Conditions;
- (ix) all references to the issue or issuance of Securities are to the issue of Notes by the Issuer;
- (x) any provisions which refer to the requirements of APRA or any other prudential regulatory requirements will apply to the Issuer only if the Issuer is an entity, or the holding company of an entity, or is a direct or indirect subsidiary of an Approved NOHC, subject to regulation and supervision by APRA at the relevant time;
- (xi) any provisions which require APRA’s consent or approval will apply only if APRA requires that such consent or approval be given at the relevant time;
- (xii) any provisions in these Conditions requiring the prior approval of APRA for a particular course of action to be taken by the Issuer do not imply that APRA has given its consent or approval to the particular action as of the Issue Date of the applicable Security;
- (xiii) a reference to any term defined by APRA (including, without limitation, “Level 1”, “Level 2”, “Level 3”, “Tier 1 Capital” and “Tier 2 Capital”) shall, if that term is replaced or superseded in any of APRA’s applicable prudential regulatory requirements or standards, be taken to be a reference to the replacement or equivalent term;
- (xiv) the terms takeover bid, relevant interest and scheme of arrangement when used in these Conditions have the meaning given in the Corporations Act;
- (xv) for the avoidance of doubt, if Conversion under Condition 5B or Write-Off under Condition 5C of Subordinated Notes is to occur on a Trigger Event Date, then that Conversion or Write-Off must occur on that date notwithstanding that it may not be a Business Day;

- (xvi) a reference to a term defined by the ASX Listing Rules or the ASX Operating Rules shall, if that term is replaced in those rules, be taken to be a reference to the replacement term; and
- (xvii) in respect of Ordinary Shares, if the principal securities exchange on which the Ordinary Shares are listed becomes other than the Australian Securities Exchange, unless the context otherwise requires a reference to the Australian Securities Exchange shall be read as a reference to that principal securities exchange and a reference to the ASX Listing Rules, the ASX Operating Rules or any term defined in any such rules, shall be read as a reference to the corresponding rules of that exchange or corresponding defined terms in such rules (as the case may be).

2. FORM, DENOMINATION AND TITLE

2.1 Constitution

The Securities are registered debt obligations of the Issuer constituted by and owing under the Deed Poll. The obligations of the Issuer in respect of these Conditions and the relevant Pricing Supplement extend to each individual Security and, following on from that, the Registered Holder of each Security without the Registered Holder having to join forces with any other Registered Holder or any predecessor in title of that Registered Holder of a Security.

2.2 Title

Entry of the name of the person purchasing a Security, or the transferee of a Security on the Register at the relevant time will constitute the passing of title of that Security and will be conclusive evidence of that person's entitlements to receive interest and repayment of principal in the manner provided for in these Conditions (subject to rectification for fraud or error). A Security registered in the name of more than one person is held by those persons as joint tenants (unless requested otherwise and in a form satisfactory to the Issuer). Securities will be registered by name only without reference to any trusteeship. Neither the Issuer nor the Registrar is, except as required by law, obliged to take notice of any other claim to a Security.

2.3 Independent Obligations

Each entry in the Register constitutes the separate and individual title of the Registered Holder to the indebtedness of the Issuer to that relevant Registered Holder.

2.4 Location of Register

The Register will be established and maintained by the Registrar at its Registry Office unless otherwise specified in the relevant Pricing Supplement.

2.5 Denomination

- (i) Securities are issued in the Specified Denominations specified in the Pricing Supplement. Securities may only be sold in Australia if the aggregate consideration payable to the Issuer by the purchaser is at least A\$500,000 (disregarding moneys lent by the Issuer or its associates) or if the Securities are otherwise sold in a manner which does not require disclosure to investors in accordance with Part 6D.2 and Chapter 7 of the Corporations Act.
- (ii) Securities may only be issued by the Issuer in a jurisdiction or jurisdictions other than Australia if the issue is in compliance with the laws of the jurisdiction in which the issue or sale is made and the Securities are otherwise issued or sold in a manner that does not require disclosure to investors under the laws of that jurisdiction or those jurisdictions.

2.6 Austraclear

If Securities are lodged in the Austraclear System, the Registrar will enter Austraclear in the Register as the Registered Holder of those Securities. While those Securities remain in the Austraclear System, all dealings (including transfers and payments) in relation to those Securities within the Austraclear System will be governed by the regulations for the Austraclear System and need not comply with these Conditions to the extent of any inconsistency provided that, in respect of Subordinated Notes, the regulations of the Austraclear System do not override these Conditions if it would impact the eligibility of the Subordinated Notes as Tier 2 Capital.

2.7 Certificates

No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to a Security unless the Issuer determines that such certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

2.8 Acknowledgment

Where Austraclear is recorded in the Register as the Registered Holder, each person in whose Security Record (as defined in the Austraclear Regulations) that Security is recorded is deemed to acknowledge in favour of the Registrar and Austraclear that:

- (i) the Registrar's decision to act as the Registrar of the Security does not constitute a recommendation or endorsement by the Registrar or Austraclear in relation to the Security but only indicates that such Security is considered by the Registrar to be compatible with the performance by it of its obligations as Registrar under its agreement with the Issuer to act as Registrar of the Security; and
- (ii) the Registered Holder does not rely on any fact, matter or circumstance contrary to Condition 2.8(i).

2.9 Australian Securities Exchange Listing

Securities which are listed on the Australian Securities Exchange will not be transferred through or registered on CHESS and will not be CHESS approved securities. In the event that an interface between the Register maintained by the Registrar and CHESS is established the Conditions and any other Programme documents may be amended to facilitate settlement on CHESS and so that the Securities will become CHESS approved securities.

3. STATUS

The Securities may be Medium Term Notes or Subordinated Notes as specified in the applicable Pricing Supplement.

The Securities are not a deposit liability or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

3.1 Medium Term Notes

The Medium Term Notes constitute senior, direct, unconditional and unsecured obligations of the Issuer and rank *pari passu* among themselves and *pari passu* with all other present and future unsubordinated and unsecured obligations of the Issuer (save for certain liabilities mandatorily preferred by law including, but not limited to, amounts given priority under the Banking Act and the Reserve Bank Act).

The Medium Term Notes rank senior to the Issuer's subordinated obligations, including the Subordinated Notes.

The Medium Term Notes are not a deposit liability or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

3.2 Subordinated Notes

The Subordinated Notes constitute direct and unsecured subordinated obligations of the Issuer and, unless otherwise specified in the applicable Pricing Supplement and subject to Conditions 5A to 5C (inclusive), rank *pari passu* among themselves and with Equal Ranking Securities. In the event of the winding-up of the Issuer (see Condition 11 (Subordination)) and prior to the commencement of the winding-up of the Issuer (see Condition 4.10), the principal amount of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will rank behind all claims of Senior Creditors and subject to Conditions 5A to 5C (inclusive), *pari passu* with Equal Ranking Securities and ahead of Junior Ranking Securities.

Neither the Issuer nor a Subordinated Noteholder has any contractual right to set off any sum at any time due and payable to a Subordinated Noteholder or the Issuer (as applicable) under or in relation to the Subordinated Notes against amounts owing by the Subordinated Noteholder to the Issuer or by the Issuer to the Subordinated Noteholder (as applicable).

The Subordinated Notes do not limit the amount of liabilities ranking senior to the Subordinated Notes that may be hereafter incurred or assumed by the Issuer. The Subordinated Notes are not a deposit liability of the Issuer or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

4. INTEREST AND OTHER CALCULATIONS

4.1 Interest on Fixed Rate Securities

Each Fixed Rate Security bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. If a Fixed Coupon Amount or a Broken Amount is specified in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the applicable Pricing Supplement.

4.2 Interest on Floating Rate Securities and Index Linked Interest Securities

- (i) *Interest Payment Dates:* Each Floating Rate Security and Index Linked Interest Security bears interest on its outstanding Principal Amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either specified in the Pricing Supplement as the Interest Payment Dates or, if no Interest Payment Date(s) are specified, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the Interest Period after the preceding Interest Payment Date or, the case of the first Interest Payment Date, after the Interest Commencement Date.
- (ii) *Rate of Interest for Floating Rate Securities:* The Rate of Interest in respect of Floating Rate Securities for each Interest Accrual Period shall be determined by the Calculation Agent in the manner specified in the Pricing Supplement and the provisions below relating to Screen Rate Determination shall apply (as amended by the Pricing Supplement).

Screen Rate/Reference Bank Determination (non BBSW)

- (x) If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Rate of Interest is to be determined and the Rate of Interest specified in the Pricing Supplement is a rate other than “BBSW”, the Rate of Interest for each Interest Accrual Period shall be calculated (as determined by the Calculation Agent) on the following basis:
 - (I) if the Reference Rate is a composite quotation or a quotation customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page at the then prevailing Publication Time on the relevant Interest Determination Date; or
 - (II) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page at the then prevailing Publication Time on the relevant Interest Determination Date;
- (y) if paragraph (x)(I) above applies and no Reference Rate appears on the Relevant Screen Page at the then prevailing Publication Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two Reference Rates appear on the Relevant Screen Page at the then prevailing Publication Time on the Interest Determination Date or if, in either case, the Relevant Screen Page is unavailable, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Reference Rates that each of the Reference Banks is quoting (or such of them, being at least two, as are so quoting) to leading banks in the Relevant Financial Centre at the Publication Time on the Interest Determination Date, as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting the Reference Rate, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Reference Rate) that at least two out of five leading banks selected by the Calculation Agent (after consultation with the Issuer) in the Relevant Financial Centre, are quoting at or about the then prevailing Publication Time for a period equivalent to the relative Interest Accrual Period to leading banks carrying on business in the Relevant Financial Centre; except that, if fewer than two of such banks are so quoting to such leading banks, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (in the case of the Medium Term Notes only, after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

Screen Rate Determination - BBSW

- (aa) If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Rate of Interest is to be determined and the Reference Rate specified in the Pricing Supplement is “BBSW”, the Reference Rate for each Interest Accrual Period shall be the rate (expressed as an interest rate per annum and rounded up, if necessary, to the fourth decimal place) for prime bank eligible securities having a tenor approximately equal to the relevant Interest Accrual Period which

is designated as the “AVG MID” on the Thomson Reuters Screen “BBSW” Page (“**BBSW Page**”) at the then prevailing Publication Time;

- (bb) If the Reference Rate does not appear on the BBSW Page at the then prevailing Publication Time, the Rate of Interest shall be determined in good faith by the Calculation Agent on the Interest Determination Date, having regard, to the extent possible, to the rates otherwise bid and offered at or around the time which is 15 minutes after the then prevailing Publication Time on the Interest Determination Date for prime bank eligible securities having a tenor approximately equal to the relevant Interest Accrual Period; and if such rates are not available, the rates otherwise bid or offered at or around the time which is 15 minutes after the then prevailing Publication Time on the Interest Determination Date for funds having a tenor approximately equal to the Interest Accrual Period; and
 - (cc) Subject to Condition 4.2(iii), if the Calculation Agent is unable to determine the Rate of Interest in accordance with paragraph (bb), the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (in the case of the Medium Term Notes only, after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iii) Any reference in these Conditions or in a Pricing Supplement to a screen page on Thomson Reuters or on Bloomberg or other service means the display page so designated on the Thomson Reuters Monitor Money Rates Service or the Bloomberg Professional® service or such other service (or any successor service of any of these services), as the case may be, or such other page as may replace such page for the purpose of displaying the relevant rate.
- (iv) If the Calculation Agent determines that the Reference Rate has been affected by a Reference Rate Disruption Event, then the following provisions shall apply:
- (a) the Calculation Agent shall use as the “Reference Rate” such Successor Reference Rate and such terms and other methodology described in paragraph (b) below that it has determined;
 - (b) if the Calculation Agent has determined a Successor Reference Rate in accordance with paragraph (a) above, the Calculation Agent may determine the Business Day Convention, the definitions of Business Day, Day Count Fraction, Publication Time, Relevant Screen Page, Relevant Time, Reference Rate and Interest Determination Date and any other relevant methodology for calculating such Successor Reference Rate, including any adjustment factor it determines is needed to make such Successor Reference Rate comparable to the Reference Rate, subject to APRA’s prior written approval in the case of Subordinated Notes; and
 - (c) if, in respect of an Interest Period or an Interest Accrual Period, the Calculation Agent is unable to determine a Successor Reference Rate in accordance with paragraphs (a) and (b) above, the Reference Rate for:
 - (A) that Interest Period or Interest Accrual Period shall be the Reference Rate determined on the previous Interest Determination Date; and
 - (B) any subsequent Interest Periods or Interest Accrual Periods shall be determined in accordance with paragraphs (a) and (b) above and, if necessary, this paragraph (c).

In the case of Subordinated Notes only, any Successor Reference Rate determined by the Calculation Agent in accordance with paragraph (a) above, and any terms and other relevant methodology for calculating such Successor Reference Rate (including any adjustment factor to the Successor Reference Rate) determined by the Calculation Agent in accordance with paragraph (b) above, will be subject to the prior written approval of APRA having been obtained in each case.

Subordinated Noteholders should note that APRA's approval may not be given for any Successor Reference Rate, and any terms and other relevant methodology for calculating such Successor Reference Rate (including any adjustment factor to the Successor Reference Rate) it considers to have the effect of increasing the Interest Rate contrary to applicable prudential standards.

- (v) In making its determinations in accordance with Condition 4.2(iv), the Calculation Agent:
 - (a) shall act in good faith and in a commercially reasonable manner; and
 - (b) may consult with such sources of market practice as it considers appropriate,but otherwise may make such determination in its discretion (subject, in the case of Subordinated Notes only, to the requirement for APRA's prior written approval as specified in Condition 4.2(iv) above).
- (vi) For the purposes of Condition 4.2(iv):
 - (a) **"Reference Rate Disruption Event"** means that:
 - (A) the Reference Rate has been discontinued or otherwise ceased to be calculated or administered; or
 - (B) the Reference Rate is no longer generally accepted in the Australian market as a reference rate appropriate to floating rate debt securities of a tenor and interest period comparable to that of the Floating Rate Security; and
 - (b) **"Successor Reference Rate"** means a rate that is generally accepted in the Australian market as the successor to the Reference Rate, or if there is no such rate, a reference rate appropriate to floating rate debt securities of a tenor and interest period most comparable to that of the Floating Rate Security.
- (vii) *Rate of Interest for Index Linked Interest Securities:* The Rate of Interest in respect of Index Linked Interest Securities for each Interest Accrual Period shall be determined in the manner specified in the relevant Pricing Supplement and interest will accrue by reference to an Index or formula as specified in the relevant Pricing Supplement.
- (viii) *Linear Interpolation:* If the Pricing Supplement states that "Linear Interpolation" applies to an Interest Period, the Calculation Agent must determine the Rate of Interest for that Interest Period using straight line interpolation by reference to two rates determined using the Screen Rate Determination or other floating rates, in each case, as specified in the Pricing Supplement. The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement). The second rate must be determined as if the Interest Period were the period of time for which

rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

4.3 Zero Coupon Securities

Where a Security, the Interest Basis of which is specified in the Pricing Supplement to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Security, unless otherwise specified in the Pricing Supplement. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Security shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield.

4.4 Accrual of Interest

Interest shall cease to accrue on each Security on the due date for redemption unless payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) on the outstanding Principal Amount of the Security at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date.

4.5 Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and rounding

- (i) If any Margin or Rate Multiplier is specified in the Pricing Supplement (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with 4.2 above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Early, Final or Optional Redemption Amount is specified in the Pricing Supplement, then any Rate of Interest, Instalment Amount or Early, Final or Optional Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) Subject to the requirements of applicable law and, where the Securities are lodged in the Austraclear System, the Austraclear Regulations, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven decimal places (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest cent (with one half cent being rounded up).
- (iv) The Pricing Supplement in respect of any Subordinated Notes must not specify a Rate Multiplier, Maximum Rate of Interest, Minimum Rate of Interest or Instalment Amount.

4.6 Calculations

The amount of interest payable in respect of any Security for any Interest Accrual Period shall, subject where that Security is lodged in the Austraclear System, to the Austraclear Regulations, be calculated by multiplying the product of the Rate of Interest and the outstanding Principal Amount of such Security by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in the Pricing Supplement in respect of such period, in which case the amount of interest payable in respect of such Security for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

4.7 Determination and Publication of Rate of Interest, Interest Amounts, Early, Final or Optional Redemption Amounts and Instalment Amounts

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, the Calculation Agent shall:

- (a) determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Securities for the relevant Interest Accrual Period;
- (b) calculate the Final Redemption Amount, Early Redemption Amount, Instalment Amount or Optional Redemption Amount;
- (c) obtain such quotation or make such determination or calculation, as the case may be; and
- (d) cause:
 - (i) the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date; and
 - (ii) if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Instalment Amount or Optional Redemption Amount,

to be notified to:

- (A) the Issuer;
- (B) the Registrar (which will then notify the Registered Holders of the calculation as required by the Issuer to the address of the Registered Holders recorded in the Register);
- (C) any other Calculation Agent appointed in respect of the Securities that is to make a further calculation upon receipt of such information; and
- (D) if the Securities are listed on a stock exchange and the rules of such exchange so require, such exchange,

as soon as possible after their determination but in no event later than:

- (x) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount; or
- (z) in all other cases, the fourth Business Day after such determination.

Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to the application of a Business Day Convention, the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period.

If the Securities become due and payable under Condition 10 (Events of Default), the accrued interest and the Rate of Interest payable in respect of the Securities shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

4.8 Calculation Agent and Reference Banks

If the Pricing Supplement specifies that Reference Banks are applicable, the Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the Pricing Supplement and for so long as any Security is outstanding. If any Reference Bank (acting through its relevant offices) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Securities, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

4.9 Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4 shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Calculation Agent, the Registrar and all Registered Holders, and (in the absence of wilful default, bad faith or manifest error) no liability to the Issuer or the Registered Holders, shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.10 Conditions of Payment – Subordinated Notes

Prior to the commencement of the winding-up of the Issuer (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency):

- (i) the obligations of the Issuer to make payments of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will be conditional on the Issuer being Solvent at the time of payment by the Issuer; and
- (ii) no payment of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes shall be made unless the Issuer is Solvent immediately after making the payment,

and if, pursuant to this Condition, the Issuer fails to make any payment of principal of, or interest on, or any other payment, including additional amounts, in respect of any Subordinated Note when due, such failure will not constitute an Event of Default for the purposes of Condition 10.2(ii).

A certificate signed by the Issuer, two authorised signatories or an auditor of the Issuer or, if the Issuer is being wound up, its liquidator as to whether the Issuer is Solvent at any time is (in the absence of wilful default, bad faith or manifest error) conclusive evidence of the information contained in the certificate and will be binding on the Subordinated Noteholders. In the absence of any such certificate, the Subordinated Noteholders are entitled to assume (unless the

contrary is proved) that the Issuer is Solvent at the time of, and will be Solvent immediately after, any payment on or in respect of the Subordinated Notes.

5. REDEMPTION, PURCHASE AND OPTIONS

5.1 Redemption by Instalments and Final Redemption

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 5 or unless the relevant Instalment Date (being one of the dates so specified in the Pricing Supplement) is extended pursuant to the Conditions or any provision of the relevant Pricing Supplement, each Security that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the Pricing Supplement. The outstanding Principal Amount of each such Security shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the Principal Amount of such Security, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount. A Subordinated Note will not provide for redemption by instalments.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or Written-Off or Converted as provided in Condition 5A or its maturity is extended pursuant to the Conditions or any provision of the relevant Pricing Supplement, each Security shall be finally redeemed on the Maturity Date specified in the Pricing Supplement at its Final Redemption Amount or, in the case of a Security falling within paragraph (i) above, its final Instalment Amount.

5.2 Redemption for taxation reasons

If, as a result of any change in or amendment to the laws or regulations of Australia or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective after the Issue Date (and in respect of any Subordinated Note, which the Issuer did not expect as at the Issue Date of that Subordinated Note) of any Security (as specified in the Pricing Supplement):

- (i) in the case of any Note, the Issuer has or will become obliged to pay any additional amounts as provided in Condition 8 (Taxation);
- (ii) in the case of any Subordinated Note only and if specified in the Pricing Supplement, the Issuer or the consolidated tax group of which it is a member would be exposed to more than a *de minimis* amount of other taxes, levies, imposts, charges and duties (including stamp and transaction duties) imposed by any authority together with any related interest, penalties and expenses in connection with them, assessments or other governmental charges in connection with any Security; or
- (iii) in the case of any Subordinated Note only and if specified in the Pricing Supplement, the Issuer determines that any interest payable on any Security is not, or may not be, allowed as a deduction for the purposes of Australian income tax,

the Issuer may at its option, at any time (if the Security is neither a Floating Rate Security nor an Index Linked Interest Security) or on any Interest Payment Date (in the case of Floating Rate Securities or Index Linked Interest Securities) and subject to Condition 5.8 in the case of any Subordinated Note, on giving not more than 60 nor less than 30 days' notice to the Registered Holders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Securities of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Securities then due. Prior to the publication of any notice of redemption pursuant to this Condition 5.2, the Issuer shall deliver to the Registrar a certificate signed by two persons each of whom is either a Director, a Senior

Executive or an authorised representative (or equivalent status) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

5.2A Redemption of Subordinated Notes for regulatory reasons

If specified in the relevant Pricing Supplement, if a Regulatory Event occurs, the Issuer may at its option, at any time (if the Subordinated Note is not a Floating Rate Security) or on any Interest Payment Date (in the case of a Subordinated Note that is a Floating Rate Security) and subject to Condition 5.8 on giving not more than 60 nor less than 30 days' notice to the Subordinated Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Subordinated Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5.2A, the Issuer shall deliver to the Registrar a certificate signed by two persons each of whom is either a Director, a Senior Executive or an authorised representative (or equivalent status) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

For the purposes of this Condition, "*Regulatory Event*" means the receipt by the directors of the Issuer of:

- (i) an opinion from a reputable legal counsel that as a result of any amendment to, clarification of or change (including any announcement of a change that has been or will be introduced) in, any law or regulation of Australia, or any official administrative pronouncement or action or judicial decision interpreting or applying such laws or regulations, which amendment, clarification or change is effective, or pronouncement, action or decision is announced, after the Issue Date; or
- (ii) an official written statement from APRA,

that, in each case, the Issuer is not or will not be entitled to treat all Subordinated Notes of a Series as Tier 2 Capital, provided that, in each case, on the Issue Date of the Subordinated Notes, the Issuer did not expect that matters giving rise to the Regulatory Event would occur.

5.3 Early Redemption of Zero Coupon Securities

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Security that does not bear interest prior to the Maturity Date, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Security pursuant to Condition 5.2, 5.4 or 5.5 or upon it becoming due and payable as provided in Condition 10 (Events of Default), shall be the Amortised Face Amount (calculated as provided below) of such Security unless otherwise specified in the Pricing Supplement.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the "**Amortised Face Amount**" of any such Security shall be the scheduled Final Redemption Amount of such Security on the Maturity Date discounted to the date of its early redemption at a rate per annum (expressed as a percentage) equal to the "**Amortisation Yield**" (which, if none is set out in the Pricing Supplement, shall be such rate as would produce an Amortised Face Amount equal to the Issue Price of the Securities if such Securities were discounted back from the Maturity Date to the relevant Issue Date) compounded annually. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction set out in the Pricing Supplement.
- (iii) If the Early Redemption Amount payable in respect of any such Security upon its redemption pursuant to Condition 5.2, 5.4 or 5.5 or upon it becoming due and payable as provided in Condition 10 (Events of Default), is not paid when due, the Early Redemption Amount due and payable in respect of such Security shall be the Amortised Face Amount of such Security as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which

the Security becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this subparagraph shall continue to be made (after, as well as before, judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Security on the Maturity Date together with any interest that may accrue in accordance with Condition 4.4.

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction.

5.4 Redemption at the Option of the Issuer and Exercise of the Issuer's Options

If a Call Option is included in the Pricing Supplement and subject to Condition 5.8 in the case of any Subordinated Note, the Issuer may, on giving not less than five or more than 30 days' irrevocable notice (subject to such other notice period as may be specified in the Pricing Supplement under "Option Exercise Date") to the Registered Holders redeem or exercise any Issuer's option (as may be described in the Pricing Supplement) in relation to all or, if so provided, some of the Securities on any Optional Redemption Date (which, in the case of a Subordinated Note, may not be before the fifth anniversary of the Issue Date of that Subordinated Note). Any such redemption of Securities shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise of the Issuer's option shall just relate to Securities of a Principal Amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Pricing Supplement and no greater than the Maximum Redemption Amount to be redeemed specified in the Pricing Supplement.

All Securities in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Registered Holders shall also contain details of the Principal Amount of Securities to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements.

5.5 Redemption at the Option of Registered Holders and Exercise of Registered Holders' Options

If a Put Option is specified in the Pricing Supplement, the Issuer shall, at the option of the Registered Holder of such Security, upon the Registered Holder of such Security giving not less than 15 nor more than 30 days' notice to the Issuer (subject to such other notice period as may be specified in the Pricing Supplement under "Option Exercise Date"), redeem such Security on the Optional Redemption Date(s) so provided at its Optional Redemption Amount together with interest accrued to the date fixed for redemption. No such notice may be withdrawn without the prior consent of the Issuer or if, prior to the due date for its redemption or the exercise of the option, the relevant Security becomes immediately due and payable.

To exercise such option or any other Registered Holder's option that may be set out in the Pricing Supplement, the Registered Holder must complete, sign and deliver to the Registrar within the notice period, a redemption notice (in the form obtainable from the Registrar) together with any Certificate held by the Registered Holder relating to the Securities to be transferred and such evidence as the Registrar may require to establish the rights of that Registered Holder to the relevant Securities.

A Put Option may not be specified in the Pricing Supplement in respect of Subordinated Notes.

5.6 Purchases

The Issuer is taken to represent as at the date of issue of each Security, that it does not know or have any reasonable grounds to suspect that that Security or any interest in or right in respect of that Security is being or will later be, acquired either directly or indirectly by an Offshore Associate of the Issuer acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of the Securities or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act.

The Issuer and:

- (i) in the case of the Subordinated Notes, any of its Related Entities; and
- (ii) in any other case, any of its subsidiaries,

may, to the extent permitted by applicable laws and regulations and subject to Condition 5.8 in the case of any Subordinated Note, at any time purchase Securities in the open market or otherwise. Securities purchased by the Issuer, any of its Related Entities or any of its subsidiaries may be surrendered by the purchaser through the Issuer to the Registrar for cancellation or, may be held or resold, in each case at the option of the Issuer, the relevant Related Entity or the relevant subsidiary. In the event that Securities are purchased by the Issuer, any of its Related Entities or any of its subsidiaries but not cancelled the Issuer, the relevant Related Entity or the relevant subsidiary will relinquish any voting rights in respect of those purchased Securities.

5.7 Cancellation

All Securities redeemed by the Issuer or surrendered by the purchaser through the Issuer for cancellation shall be surrendered for cancellation by the Issuer or purchaser notifying the Registrar and surrendering to the Registrar any Certificates held by the Registered Holder relating to the Securities to be cancelled by the Registrar and if so surrendered, the Securities will be cancelled forthwith. Any Securities so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Securities shall be discharged.

5.8 Consent of APRA

Notwithstanding anything to the contrary in this Condition 5, the Issuer may not (i) redeem any Subordinated Notes under Conditions 5.2, 5.2A or 5.4 above or (ii) prior to the Maturity Date purchase, or procure that any of its Related Entities purchase, any Subordinated Notes under Condition 5.6 above without the prior written approval of APRA. In addition, the prior written approval of APRA is required to modify, abrogate, amend, waive, vary or compromise the terms of any Series of Subordinated Notes where such action may affect the eligibility of such Subordinated Notes as Tier 2 Capital.

Subordinated Noteholders should not expect that APRA's approval will be given for any redemption or purchase of Subordinated Notes.

5.9 Conditions to redemption for Subordinated Notes

Without limiting Condition 5.8, the Issuer will not be permitted to redeem any Subordinated Note unless the Subordinated Note is replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Subordinated Note is done under conditions that are sustainable for the Issuer's income capacity or APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 is well above its minimum capital requirements after the Issuer elects to redeem the Subordinated Note.

5A. Conversion or Write-Off of Subordinated Notes on Non-Viability Trigger Event

5A.1 Application to Subordinated Notes only

Conditions 5A, 5B and 5C apply only to Subordinated Notes. Schedule A to these Conditions (including the defined terms therein) shall be deemed to form part of, and be incorporated in, Condition 5B.

5A.2 Non-Viability Trigger Event

A “**Non-Viability Trigger Event**” means the earlier of:

- (i) the issuance to the Issuer of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that the Issuer would become non-viable; or
- (ii) a determination by APRA, notified to the Issuer in writing, that without a public sector injection of capital, or equivalent support, the Issuer would become non-viable,

each such determination being a “**Non-Viability Determination**”.

5A.3 Conversion or Write-Off of Subordinated Notes on Trigger Event Date

If a Non-Viability Trigger Event occurs:

- (i) on the Trigger Event Date, subject only to Condition 5B.5, such Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is required by the Non-Viability Determination provided that:
 - (a) where the Non-Viability Trigger Event occurs under Condition 5A.2(i) and such Non-Viability Determination does not require all Relevant Securities to be converted into Ordinary Shares or written-off, such Principal Amount of the Subordinated Notes shall Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is sufficient (determined by the Issuer in accordance with Condition 5A.3(ii)) to satisfy APRA that the Issuer is viable without further conversion or write-off; and
 - (b) where the Non-Viability Trigger Event occurs under Condition 5A.2(ii), all the Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement).
- (ii) the Issuer will determine the Principal Amount of Subordinated Notes which must be Converted or Written-Off (as applicable) in accordance with Condition 5A.3(i)(a), on the following basis:
 - (a) first, convert into Ordinary Shares or write-off all Relevant Tier 1 Securities; and
 - (b) secondly, if conversion into Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of Condition 5A.3(i)(a) (and provided that as a result of the conversion or write-off of Relevant Tier 1 Capital Securities APRA has not withdrawn the Non-Viability Determination), Convert or Write-Off (as applicable) a Principal Amount of Subordinated Notes and convert into Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of the Issuer, fair and reasonable (subject to such adjustment as the Issuer may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of Ordinary Shares and the authorised denominations of the Principal Amount of any Subordinated Note or the number or principal amount of other Relevant Tier

2 Securities remaining on issue, and the need to effect the conversion immediately) and, for the purposes of this Condition 5A.3(ii)(b), where the specified currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, the Issuer may treat them as if converted into a single currency of the Issuer's choice at such rate of exchange as the Issuer in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;

- (iii) on the Trigger Event Date, the Issuer shall determine the Subordinated Notes or portions thereof as to which the Conversion or Write-Off (as applicable) is to take effect and in making that determination may make any decisions with respect to the identity of the Subordinated Noteholders at that time as may be necessary or desirable to ensure Conversion or Write-off (as applicable) occurs in an orderly manner, including disregarding any transfers of Subordinated Notes that have not been settled or registered at that time provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;
- (iv) the Issuer must give notice of its determination pursuant to Condition 5A.3(iii) (a **"Trigger Event Notice"**) as soon as practicable to the Subordinated Noteholders, which must specify:
 - (a) the Trigger Event Date;
 - (b) the Principal Amount of the Subordinated Notes Converted or Written-Off (as applicable); and
 - (c) the relevant number or principal amount of other Relevant Securities converted or written-off;
- (v) none of the following events shall prevent, impede or delay the Conversion or Write-Off (as applicable) of Subordinated Notes as required by Condition 5A.3(i):
 - (a) any failure or delay in the conversion or write-off of other Relevant Securities;
 - (b) any failure or delay in giving a Trigger Event Notice;
 - (c) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 5A.4;
 - (d) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted or Written-Off (as applicable) in accordance with Condition 5A.3(ii)(b) or 5A.3(iii); and
 - (e) in the case of Conversion only, any failure or delay in quotation of Ordinary Shares to be issued on Conversion.

If a Non-Viability Determination takes effect, the Issuer must perform the obligations in respect of the determination immediately on the day it is received by the Issuer, whether or not such day is a Business Day.

5A.4 Conversion or Write-Off of a whole or of a portion of a Subordinated Note

Subject to Condition 5D.2(iii)(b), in respect of any Subordinated Note which is to be Converted or Written-Off:

- (i) the Issuer shall notify the Registrar of the Principal Amount of such Subordinated Note that ~~has been~~ is Converted or Written-Off (whether in whole or in part) and instruct the

Registrar to reflect this Conversion or Write-Off (as applicable) in the Register so that the Principal Amount of such Subordinated Note is reduced, in the case of a Subordinated Note Converted or Written-Off in whole, to zero, or, in the case of a Subordinated Note which is Converted or Written-Off in part, as described in Condition 5A.4(ii) below ~~to an amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note;~~

(ii) in the case of a Subordinated Note which is Converted or Written-Off only in part:

(a) the Principal Amount of the Subordinated Note will be reduced to an amount equal to the non-Converted or non-Written-Off portion of the Principal Amount of such Subordinated Note;

(b) TopCo will be taken to hold (as a result of the transfer in accordance with the Schedule to these Conditions) a new Subordinated Note with a principal amount equal to the Converted or Written-Off portion of the Principal Amount of the original Subordinated Note, and on terms otherwise identical to the terms of such Subordinated Note (the "Affected Subordinated Note");

(#)

~~(a)~~(c) where the date of the Conversion or Write-off is not an Interest Payment Date, the amount of interest payable in respect of that Subordinated Note on each Interest Payment Date falling after that date will be reduced and calculated on the Principal Amount of that Subordinated Note as reduced on that date;

~~(b)~~(d) for the purposes of any interest calculation, the Interest Amount, the Fixed Coupon Amount, the Broken Amount and any related amount in respect of that Subordinated Note shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off;

~~(e)~~(e) the Early Redemption Amount, the Final Redemption Amount, the Optional Redemption Amount, the Specified Denomination and Principal Amount or any related amount shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off; and

(iii) if a Certificate has been issued to the relevant Subordinated Noteholder in respect of such Subordinated Note, then, if the Issuer so requires, such Subordinated Noteholder shall surrender such Certificate to the Issuer (or, if the Issuer so directs, to the Registrar) and, in the case of a Subordinated Note which is Converted or Written-Off only in part, the Issuer shall deliver to the Subordinated Noteholder, a new Certificate for a Subordinated Note with a Principal Amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note.

5B. Conversion of Subordinated Notes

5B.1 Conversion of Subordinated Notes on Trigger Event Date

Unless "Write-Off – Applicable" is specified in the relevant Pricing Supplement, Condition 5B shall apply to the Subordinated Notes and, notwithstanding any other provision in these Conditions, on the Trigger Event Date the relevant Principal Amount (as determined under Condition 5A.3) of the Subordinated Notes will Convert immediately and irrevocably.

On and from the Trigger Event Date, subject to Conditions 5B.5 and 5B.6(iii)(c), the Issuer shall treat any Subordinated Noteholder of any Subordinated Note or portion thereof which is required to be Converted as the holder of the relevant number of Ordinary Shares and will

take all such steps, including updating any register, required to record the Conversion and the issuance of such Ordinary Shares.

5B.2 Provision of information

Where a Principal Amount of Subordinated Notes is required to be Converted under Condition 5B, a Subordinated Noteholder of Subordinated Notes or portion thereof that are subject to Conversion wishing to receive Ordinary Shares must, no later than the Trigger Event Date (or, in the case where Condition 5B.4(vi) applies, within 30 days of the date on which Ordinary Shares are issued upon such Conversion), have provided to the Issuer:

- (i) its name and address (or the name and address of any person in whose name it directs the Ordinary Shares to be issued) for entry into any register of title and receipt of any certificate or holding statement in respect of any Ordinary Shares;
- (ii) the security account details of such Subordinated Noteholder in CHESS or such other account to which the Ordinary Shares may be credited; and
- (iii) such other information as is reasonably requested by the Issuer for the purposes of enabling it to issue the Conversion Number of Ordinary Shares to such Subordinated Noteholder,

and the Issuer has no duty to seek or obtain such information.

5B.3 Failure to Convert

Subject to Condition 5B.4 and Condition 5B.5, if, in respect of a Conversion of Subordinated Notes, the Issuer or TopCo fails to issue, -on the Trigger Event Date, the Conversion Number of Ordinary Shares in respect of the relevant Principal Amount of such Subordinated Notes to, or in accordance with the instructions of, the relevant Subordinated Noteholder on the Trigger Event Date or any other nominee where Condition 5B.4 applies, the Principal Amount of such Subordinated Notes which would otherwise be subject to Conversion shall remain on issue and outstanding until:

- (i) the Ordinary Shares are issued to, or in accordance with the instructions of, the Subordinated Noteholder of such Subordinated Notes; or
- (ii) such Subordinated Notes are Written-Off in accordance with these Conditions;

provided that the sole right of the Subordinated Noteholder in respect of Subordinated Notes or portion thereof that are subject to Conversion is its right to be issued Ordinary Shares upon Conversion (subject to its compliance with Condition 5B.2 or to receive the proceeds from their sale pursuant to Condition 5B.4, as applicable) and the remedy of such Subordinated Noteholder in respect of the ~~Issuer's TopCo's~~ failure to issue the Ordinary Shares is limited (subject always to Condition 5B.5) to seeking an order for specific performance of ~~the Issuer's TopCo's~~ obligation to issue the Ordinary Shares to the Subordinated Noteholder or where Condition 5B.4 applies to the nominee and to receive such proceeds of sale, in each case, in accordance with the terms of the Subordinated Notes. This Condition 5B.3 does not affect the obligation of ~~the Issuer~~ TopCo to issue the Ordinary Shares when required in accordance with these Conditions.

5B.4 Issue to nominee

If, in respect of a Subordinated Note and a Subordinated Noteholder of that Subordinated Note, the Subordinated Note or portion thereof is required to be Converted and:

- (i) the Subordinated Noteholder has notified the Issuer that it does not wish to receive Ordinary Shares as a result of the Conversion (whether entirely or to the extent specified in the notice), which notice may be given at any time prior to the Trigger Event Date;

- (ii) the Subordinated Notes are held by a Subordinated Noteholder whose address in the register is a place outside Australia or who the Issuer otherwise believes may not be a resident of Australia (a **"Foreign Holder"**);
- (iii) for any reason (whether or not due to the fault of the Subordinated Noteholder) the Issuer has not received the information required by Condition 5B.2 prior to the Trigger Event Date and the lack of such information would prevent ~~the Issuer~~ TopCo from issuing the Ordinary Shares to the Subordinated Noteholder on the Trigger Event Date; or
- (iv) a FATCA Withholding is required to be made in respect of the Ordinary Shares issued on Conversion,

then, on the Trigger Event Date:

- (v) where Condition 5B.4(i), 5B.4(ii) or 5B.4(iv) applies, ~~the Issuer~~ TopCo shall issue the Ordinary Shares to the Subordinated Noteholder only to the extent (if at all) that:
 - (a) where Condition 5B.4(i) applies, the Subordinated Noteholder has notified the Issuer that it wishes to receive them;
 - (b) where Condition 5B.4(ii) applies, the Issuer is satisfied that the laws of both Australia and the Foreign Holder's country of residence permit the issue of Ordinary Shares to the Foreign Holder (but as to which the Issuer is not bound to enquire), either unconditionally or after compliance with conditions which the Issuer in its absolute discretion regards as acceptable and not unduly onerous; and
 - (c) where Condition 5B.4(iv) applies, the issue is net of the FATCA Withholding;

and, to the extent ~~the Issuer~~ TopCo is not obliged to issue Ordinary Shares to the Subordinated Noteholder, ~~the Issuer~~ TopCo will issue the balance of the Ordinary Shares to the nominee in accordance with Condition 5B.4(vi); and

- (vi) otherwise, subject to applicable law, ~~the Issuer~~ TopCo will issue the balance of Ordinary Shares in respect of the Subordinated Noteholder to a competent nominee (which may not be the Issuer or any of its Related Entities) and will promptly notify such Subordinated Noteholder of the name of and contact information for the nominee and the number of Ordinary Shares issued to the nominee on its behalf and, subject to applicable law and:
 - (a) subject to Condition 5B.4(vi)(b), the nominee will as soon as reasonably possible and no later than 35 days after issue of the Ordinary Shares sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Subordinated Noteholder;
 - (b) where Condition 5B.4(iii) applies, the nominee will hold such Ordinary Shares and will transfer Ordinary Shares to such Subordinated Noteholder promptly after such Subordinated Noteholder provides the nominee with the information required to be provided by such Subordinated Noteholder under Condition 5B.2 (as if a reference in Condition 5B.2 to the Issuer is a reference to the nominee and a reference to the issue of Ordinary Shares is a reference to the transfer of Ordinary Shares) but only where such information is provided to the nominee within 30 days of the date on which Ordinary Shares are issued to the nominee upon Conversion of such Subordinated Note and failing which the nominee will sell the Ordinary Shares and pay the proceeds to such Subordinated Noteholder in accordance with Condition 5B.4(vi)(a); and

- (c) where Condition 5B.4(iv) applies, the nominee shall deal with Ordinary Shares the subject of a FATCA Withholding and any proceeds of their disposal in accordance with FATCA;
- (vii) nothing in this Condition 5B.4 shall affect the Conversion of the Subordinated Notes of a Subordinated Noteholder who is not a person to which any of Condition 5B.4(i) to 5B.4(iv) (inclusive) applies; and
- (viii) for the purposes of this Condition 5B.4, none of the Issuer, [TopCo](#) or the nominee owes any obligations or duties to the Subordinated Noteholders in relation to the price at which Ordinary Shares are sold or has any liability for any loss suffered by a Subordinated Noteholder as a result of the sale of Ordinary Shares.

5B.5 Write-Off of Subordinated Notes if Conversion is not effected within 5 Business Days after a Trigger Event Date

Notwithstanding any other provision of Condition 5B and provided that "Write-Off – Applicable" is not specified in the relevant Pricing Supplement, where Subordinated Notes are required to be Converted on the Trigger Event Date and Conversion of the relevant Principal Amount of the Subordinated Notes that are subject to Conversion has not been effected within five Business Days after the relevant Trigger Event Date for any reason (including an Inability Event):

- (i) the relevant Principal Amount of each Subordinated Note which, but for this Condition 5B.5, would be Converted, will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date; and
- (ii) the Issuer shall notify the Subordinated Noteholders -as promptly as practically possible that Conversion of the relevant Principal Amount of the Subordinated Notes has not occurred and that such Principal Amount of the Subordinated Notes has been Written-Off.

5B.6 Subordinated Noteholder acknowledgements

Each Subordinated Noteholder irrevocably:

- (i) consents to becoming a member of ~~the Issuer~~ [TopCo](#) upon the Conversion of the relevant Principal Amount of Subordinated Notes as required by this Condition 5B and agrees to be bound by the constitution of ~~the Issuer~~ [TopCo](#), in each case in respect of the Ordinary Shares issued to such Subordinated Noteholder on Conversion;
- (ii) acknowledges and agrees that it is obliged to accept Ordinary Shares upon a Conversion of the Principal Amount Subordinated Notes it holds notwithstanding anything that might otherwise affect a Conversion of such Principal Amount of Subordinated Notes including:

 - (c) any breach by the Issuer of any obligation in connection with such Subordinated Notes;

- (d) the Ordinary Shares issued on Conversion may not be quoted at the time of issue, or at all;
- (iv) acknowledges and agrees that where Condition 5B.5 applies, no conditions or events will affect the operation of that Condition and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under that Condition and has no claim against the Issuer arising in connection with the application of that Condition;
- (v) acknowledges and agrees that such Subordinated Noteholder has no right to request a Conversion of any Principal Amount of any Subordinated Notes or to determine whether (or in what circumstances) the Principal Amount of Subordinated Notes it holds is Converted; ~~and~~
- (vi) acknowledges and agrees that none of the following shall prevent, impede or delay the Conversion or (where relevant) Write-Off of the Principal Amount of Subordinated Notes:

 - (b) any failure or delay in giving a Trigger Event Notice or other notice required by this Condition 5B;
 - (c) any failure or delay in quotation of the Ordinary Shares to be issued on Conversion;
 - (d) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 5A.4; ~~and~~
 - (e) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted in accordance with Condition 5A.3(ii)(b) or 5A.3(iii); and

~~(vii)~~ acknowledges and agrees that if, in respect of a Conversion, TopCo has issued the Conversion Number of Ordinary Shares to the Subordinated Noteholder but the Subordinated Note or portion thereof has not been transferred free from encumbrance to TopCo, the Subordinated Note or such portion shall be Written-Off in accordance with Condition 5B.7 without prejudice to the issue of the Ordinary Shares.

5B.7 Meaning of “Written-Off”

For the purposes of Condition 5B, **“Written-Off”** shall mean that, in respect of a Subordinated Note or portion thereof that is otherwise subject to Conversion and a Trigger Event Date:

- (iv) makes such other amendments as in the Issuer's reasonable opinion are necessary or appropriate to effect the substitution of an Approved NOHC as the provider of the ordinary shares on Conversion in the manner contemplated by these Conditions, including, where the terms upon which the Approved NOHC acquires the Issuer are such that the number of Approved NOHC Ordinary Shares on issue immediately after the substitution differs from the number of Ordinary Shares on issue immediately before that substitution (not involving any cash payment or other distribution to or by the holders of any such shares), an adjustment to any relevant VWAP or Issue Date

The Register will be closed for the purpose of determining entitlements to payments of interest and repayments of any Principal Amount at 5:00 pm local Registry Office time on the Record Date prior to the relevant Interest Payment Date, the relevant Maturity Date and any relevant redemption date. Therefore, transfers must be received by the Registrar at the relevant Registry Office prior to that time.

In any of these cases, the relevant Security will cease to be held in the Austraclear System.

or assessed by or within Australia or by any authority therein or thereof having power to tax (together, “**Taxes**”), unless such withholding or deduction is required by law.

8.2 Issuer to pay Additional Amounts

Where such withholding or deduction is required by law, the Issuer shall pay such additional amounts to the Registered Holders as shall result in receipt by those Registered Holders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Security:

- (i) in respect of which the Registered Holder thereof is liable to such Taxes, duties, assessments or governmental charges in respect of such Security by reason of its having some connection with Australia, other than the mere holding of such Security or the receipt of the relevant payment in respect thereof; or
- (ii) in respect of which the Registered Holder thereof is an Offshore Associate of the Issuer (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act); or

- (iv) to, or to a third party on behalf of, an Australian resident Registered Holder or a non-resident Registered Holder who is engaged in carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details.

8.4 Tax File Number

8.5 References

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Securities (other than Subordinated Notes for which there is no premium payable), all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (Redemption, Purchase and Options), or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 (Interest and other Calculations), or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or substitution for it under the Deed Poll. Any additional amounts due in respect of the Subordinated Notes will be subordinated in right of payment as described in Condition 3.2 (Status – Subordinated Notes), Condition 4.10 (Condition of Payment – Subordinated Notes) and Condition 11 (Subordination).

If the Issuer is or becomes subject at any time to any taxing jurisdiction other than or in addition to Australia, references in Condition 5.2 and Condition 8 shall be read and construed as including references to such other taxing jurisdiction(s).

8.6 FATCA

The Issuer or TopCo may withhold or make deductions from payments or from the issue of Ordinary Shares to a Noteholder where it is required to do so under or in connection with FATCA, or where it has reasonable grounds to suspect that the Noteholder or a beneficial owner of the Securities may be subject to FATCA, and may deal with such payment, and any Ordinary Shares in accordance with FATCA. If any withholding or deduction arises under or in connection with FATCA, neither the Issuer nor TopCo will ~~not~~ be required to pay any further amounts or issue any further Ordinary Shares on account of such withholding or deduction or otherwise reimburse or compensate, or make any payment to, a Noteholder or a beneficial owner of the Securities for or in respect of any such withholding or deduction. A dealing with such payment and any Ordinary Shares in accordance with FATCA satisfies the Issuer's obligations to that Noteholder to the extent of the amount of that payment or issue of Ordinary Shares.

9. PRESCRIPTION

Claims against the Issuer for payment in respect of the Securities shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. EVENTS OF DEFAULT

10.1 Medium Term Notes

If any one of the following events ("**Events of Default**") occurs and is continuing, the Registered Holder of any Medium Term Note of any Series may give written notice to the Registrar at its Registry Office that such Medium Term Note is immediately repayable, whereupon it shall immediately become due and repayable at its Early Redemption Amount together with accrued interest to the date of payment unless, prior to the date that such written notice is received by the Registrar, the Issuer shall have cured or otherwise made good all Events of Default in respect of the Medium Term Notes of such Series:

- (i) default is made in the payment of any principal or Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount, Instalment Amount or Amortised Face Amount (in the case of a Zero Coupon Security) (whether becoming due upon redemption or otherwise) or interest when due, in respect of any Medium Term Note of such Series, and such default continues for a period of seven days; or
- (ii) the Issuer fails to perform or observe any of its obligations under any Medium Term Note of such Series other than those specified in paragraph (i) above and in such case (except where such failure is incapable of remedy) such failure continues for a period of 30 days next following the service by any Registered Holder of any Medium Term Note of such Series on the Issuer of written notice requiring the same to be remedied; or
- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of Australia, a resolution is passed that the Issuer be wound up or dissolved; or
- (iv) the Issuer stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer of its obligations under the Medium Term Notes of such Series

or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer which would materially prejudice the performance of the Issuer of its obligations under the Medium Term Notes of such Series and is not discharged within 60 days thereof; or

- (vi) proceedings shall have been initiated against the Issuer under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (vii) the Issuer shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of Australia)) and such proceedings would materially prejudice the performance by the Issuer of its obligations under the Medium Term Notes of such Series.

Notwithstanding any other provision of this Condition 10.1, no Event of Default in respect of any Medium Term Note shall occur solely on account of any failure by the Issuer to perform or observe its obligations in relation to, or the taking of any process or proceeding in respect of any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital.

10.2 Subordinated Notes

- (i) The following are Events of Default with respect to Subordinated Notes:
 - (a) the making of an order by a court of the State of Victoria, Australia or a court with appellate jurisdiction from such court which is not successfully appealed or permanently stayed within 60 days of the entry of such order; or
 - (b) the valid passing by the Issuer 's shareholders of an effective resolution, in each case for the winding-up of the Issuer (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency); and
- (ii) Subject to Condition 4.10:
 - (a) default in the payment of interest on any Subordinated Note when due, continued for 30 days; or
 - (b) default in the payment of principal of any Subordinated Note when due.

Upon the occurrence of an Event of Default specified in paragraph (i) above, subject to the subordination provisions, the Principal Amount of, and all accrued and unpaid interest on, the Subordinated Notes will automatically become due and payable.

If an Event of Default contemplated by paragraph (ii) above with respect to any Subordinated Notes occurs and is continuing, a Subordinated Noteholder may only, in order to enforce the obligations of the Issuer under such Subordinated Notes:

- (A) notwithstanding the provisions of paragraph (B) below, institute proceedings in the State of Victoria, Australia (but not elsewhere) for the winding-up of the Issuer (all subject to, and in accordance with, the terms of Condition 11 (*Subordination*)); or
- (B) institute proceedings for recovery of the money then due, provided that the Issuer will not, by virtue of the institution of any such proceedings (other than proceedings for the winding-up of the Issuer) be obliged to pay any sums representing principal or interest in respect of the Subordinated Notes sooner than the same would otherwise have been payable by it and provided that the Issuer is Solvent at the time of, and will be Solvent immediately after, any such payment.

No remedy against the Issuer other than those referred to in this Condition 10.2, shall be available to the Subordinated Noteholders, whether for the recovery of amounts owing in respect of the Subordinated Notes or in respect of any breach by the issuer of any of its other obligations under or in respect of the Subordinated Notes.

10.3 Notification

If an Event of Default occurs under Conditions 10.1 or 10.2 above, the Issuer will promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default specifying details of it and use its reasonable endeavours to procure that the Registrar promptly notifies the Registered Holders of the occurrence of the Event of Default by registered post to the address of the Registered Holders recorded in the Register.

11. SUBORDINATION

In the event of the winding-up of the Issuer constituting an Event of Default with respect to the Subordinated Notes, there shall be payable with respect to the Subordinated Notes, subject to the subordination provisions discussed above (see Condition 3.2 (Status – Subordinated Notes) and Condition 4.10 (Condition of Payment – Subordinated Notes), an amount equal to the Principal Amount of the Subordinated Notes then outstanding, together with all accrued and unpaid interest thereon to the repayment date.

As a result of the subordination provisions, no amount will be payable in the winding-up of the Issuer in Australia in respect of the Subordinated Notes until all claims of Senior Creditors admitted in the winding-up proceeding have been satisfied in full. By subscription for, or transfer of, Subordinated Notes to a Subordinated Noteholder, that Subordinated Noteholder will be taken to have agreed that no amount in respect of the Subordinated Notes will be repaid until all the claims of the Senior Creditors admitted in the winding-up proceeding have been satisfied accordingly. Accordingly, if proceedings with respect to the winding-up of the Issuer in Australia were to occur, the Subordinated Noteholders could recover less relative to the holders of deposit liabilities, the holders of Medium Term Notes and the holders of prior ranking subordinated liabilities of the Issuer.

If in any such winding-up, the amount payable with respect to the Subordinated Notes and any claims ranking equally with those Subordinated Notes cannot be paid in full, those Subordinated Notes and other claims ranking equally with those Subordinated Notes will share relatively in any distribution of the Issuer's assets in a winding-up in proportion to the respective amounts to which they are entitled.

Any amount not paid due to Condition 4.10 (Conditions of Payment – Subordinated Notes) or Condition 10.2 (Subordinated Notes), remains a debt owing to the Noteholder by the Issuer until it is paid and will be payable on the first date on which payment can be made in compliance with the relevant Condition.

12. MEETINGS OF REGISTERED HOLDERS, MODIFICATIONS AND WAIVER

12.1 Meetings of Registered Holders

Meetings of Registered Holders may be convened in accordance with the Meeting Provisions contained in Schedule 2 to the Deed Poll. Any such meeting may consider any matters affecting the interests of Registered Holders, including, without limitation, the variation of the terms of the Securities by the Issuer and the granting of approvals, consents and waivers, and the declaration of an Event of Default.

12.2 Modification of the Deed Poll

Subject to Condition 12.3:

- (i) the Deed Poll or the terms of any Series of Securities may be amended by the Issuer, without the consent of any Registered Holder, if in the opinion of the Issuer, the amendment:
- (a) is necessary or advisable to comply with any law;
 - (b) is necessary to correct an obvious error or omission, or is otherwise of a formal, minor, technical or administrative nature only;
 - (c) is made for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision;
 - (d) is not materially prejudicial to the interests of Registered Holders generally; or
 - (e) only applies to Securities issued by the Issuer after the date of the amendment;
- (ii) in all other circumstances, the Deed Poll or the terms of any Series of Securities may be amended with the approval of Registered Holders by an Extraordinary Resolution. The Issuer will notify the Registrar of any amendments made pursuant to this Condition and will use its reasonable endeavours to procure that the Registrar notifies the Registered Holders of the amendment by post to the address of the Registered Holders recorded in the Register.

In the case of an amendment to the terms of any Series of Securities, reference in this Condition 12.2 to “Registered Holders” are to be taken to refer to the Registered Holders of that Series of Securities.

12.3 No changes which may affect Tier 2 Capital eligibility

The prior written approval of APRA is required in respect of any modification, abrogation, variation, amendment, waiver or compromise in respect of the terms of any Series of Subordinated Notes or the Deed Poll where such modification, abrogation, variation, amendment, waiver or compromise may affect the eligibility of any Series of Subordinated Notes as Tier 2 Capital.

13. FURTHER ISSUES OF SECURITIES

The Issuer may from time to time without the consent of the Registered Holders create and issue further securities either having the same terms and conditions as the Securities in all respects (or in all respects except for the Issue Date or first payment of interest on them) and so that such further issue of securities shall be consolidated and form a single Series with the outstanding Securities of any Series or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Securities include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Securities.

14. NOTICES

14.1 To Registered Holders

All notices by the Issuer to Registered Holders will be valid if posted by ordinary mail to the relevant Registered Holder at its address appearing on the Register (or in the case of joint Registered Holders to the first named).

Any such notice shall be deemed to have been given on the sixth Business Day after posting if posted to an address in Australia and on the tenth Business Day if posted to an address outside of Australia.

14.2 To the Issuer and Registrar

All notices by a Registered Holder to the Issuer and Registrar will be valid if posted by ordinary mail to the Issuer and the Registrar at their addresses specified above. Unless a later time is specified in it, a notice by a Registered Holder takes effect from the time it is received by the Issuer or Registrar except that if it is received after 5.00pm in the place of receipt or not on a Business Day, it is to be taken to be received at 9.00am on the next succeeding Business Day in that place.

15. GOVERNING LAW

The Securities are governed by the laws in force in the State of Victoria and Australia.

SCHEDULE A TO THE CONDITIONS OF THE SECURITIES

1 Conversion

If ~~the Issuer~~ TopCo must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions, then, subject to this Schedule A and Condition 5D.2 and unless the Pricing Supplement specifies that the Alternative Conversion Number applies, the following provisions apply (provided, in all cases, that where a Subordinated Note is required to be Converted only in part, references in this Schedule A to the "Subordinated Note" shall be taken to be references to the "Affected Subordinated Note" as defined in Condition 5A.4(ii)):

(a) The Subordinated Note will be automatically transferred free from any encumbrance to TopCo on Trigger Event Date;

~~(a)~~(b) ~~the Issuer~~ TopCo will allot and issue on the Trigger Event Date a number of Ordinary Shares in respect of the Principal Amount of that Subordinated Note equal to the Conversion Number, where the Conversion Number (but subject to the Conversion Number being no more than the Maximum Conversion Number) is a number calculated according to the following formula:

$$\text{Conversion Number} = \frac{\text{Principal Amount}}{(1 - \text{CD}) \times \text{VWAP}}$$

where:

"**CD**" means the conversion discount specified in the applicable Pricing Supplement;

"**VWAP**" (expressed in dollars and cents) means the VWAP during the VWAP Period and where the "**Maximum Conversion Number**" means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Principal Amount}}{\text{Issue Date VWAP} \times 0.2}$$

~~(b)~~(c) on the Trigger Event Date, the rights of each holder of a Subordinated Note (including to payment of interest with respect to such Principal Amount, both in the future and as accrued but unpaid as at the Trigger Event Date) in relation to each Subordinated Note or portion thereof that is being Converted will be ~~immediately and irrevocably automatically transferred~~ terminated for an amount equal to the Principal Amount of that Subordinated Note that is being Converted and ~~the Issuer~~ TopCo will apply that Principal Amount by way of payment for subscription for the Ordinary Shares to be allotted and issued under Section ~~1(a)~~ 1(b) of this Schedule A and in accordance with the Deed Poll. Each holder of the Subordinated Note is taken to have irrevocably directed that any amount payable under Section 1 of this Schedule A is to be applied as provided for in Section 1 of this Schedule A and no holder of the Subordinated Note has any right to payment in any other way;

~~(e)~~(d) any calculation under Section 1 ~~(b)~~ (a) of this Schedule A shall be, unless the context requires otherwise, be rounded to four decimal places provided that if the total number of additional Ordinary Shares to be allotted to a holder of the Subordinated Note in respect of the aggregate Principal Amount of the Subordinated Notes it holds which is being Converted includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded; ~~and~~

(e) the rights attaching to Ordinary Shares issued as a result of Conversion do not take effect until 5.00pm (Melbourne, Australia time) on the Trigger Event Date (unless another time is required for Conversion on that date). At that time all other rights conferred or restrictions imposed on that Subordinated Note under the Conditions will

no longer have effect to the extent of the Principal Amount of that Subordinated Note being Converted (except for the right to receive the Ordinary Shares as set forth in Section 1 of this Schedule A and Condition 5B and except for rights relating to interest which is payable but has not been paid on or before the Trigger Event Date which will continue); and

~~(e)~~(f) as agreed between, amongst others, TopCo and the Issuer under the Implementation Deed, TopCo, the Issuer and their Related Bodies Corporate will deal with the Subordinated Notes being Converted so that they are converted into ANZ Ordinary Shares and terminated (the "Related Conversion Steps").

2 Adjustments to VWAP

For the purposes of calculating VWAP in the Conditions:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as cum dividend or cum any other distribution or entitlement and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares after the date those Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount ("**Cum Value**") equal to:
- (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
 - (ii) (in the case of any other entitlement that is not a dividend or other distribution under Section 2(a)(i) of this Schedule A which is traded on the Australian Securities Exchange on any of those Business Days), the volume weighted average sale price of all such entitlements sold on the Australian Securities Exchange during the VWAP Period on the Business Days on which those entitlements were traded; or
 - (iii) (in the case of any other entitlement which is not traded on the Australian Securities Exchange during the VWAP Period), the value of the entitlement as reasonably determined by the directors of the Issuer; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as ex dividend or ex any other distribution or entitlement, and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

3 Adjustments to VWAP for divisions and similar transactions

- (a) Where during the relevant VWAP Period there is a change in the number of the Ordinary Shares on issue as a result of a division, consolidation or reclassification of the Issuer's share capital (not involving any cash payment or other distribution (or compensation) to or by holders of Ordinary Shares) (a "**Reorganisation**"), in calculating the VWAP for that VWAP Period the daily VWAP applicable on each day in the relevant VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reorganisation basis shall be adjusted by multiplying such daily VWAP by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

B means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by the Issuer in accordance with Section 3(a) of this Schedule A will, absent manifest error, be effective and binding on holders of the Subordinated Notes under these terms and these terms will be construed accordingly. Any such adjustment must be promptly notified to all holders of the Subordinated Notes.

4 Adjustments to Issue Date VWAP

For the purposes of determining the Issue Date VWAP, corresponding adjustments to VWAP will be made in accordance with Section 2 and Section 3 of this Schedule A during the 20 Business Day period over which VWAP is calculated for the purposes of determining the Issue Date VWAP. On and from the Issue Date adjustments to the Issue Date VWAP:

- (a) may be made in accordance with Sections 5 to 7 of this Schedule A (inclusive); and
- (b) if so made, will cause an adjustment to the Maximum Conversion Number.

5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to Section 5(b) of this Schedule A below, if at any time after the Issue Date ~~the Issuer~~ TopCo makes a pro rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_o \times \frac{V_v}{\frac{RD}{RD + RN}}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V_o means the Issue Date VWAP applying immediately prior to the application of this formula;

RN means the number of Ordinary Shares issued pursuant to the bonus issue; and

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue.
