NO CLAIM BONUS

No Claim Bonus is a discount on your premium awarded for not making at fault claims. For the first period of insurance, we'll calculate your No Claim Bonus based on information you supplied when you first bought the Policy. We'll do this based on:

- your driving history, and
- how many at fault claims you've made.

After that, based on the claims lodged during the period of insurance, your Policy's No Claim Bonus will be adjusted when you renew your Policy and this can either:

- increase (up to our maximum No Claim Bonus),
- decrease, or
- remain the same.

If your vehicle's involved in an incident, your No Claim Bonus won't be affected if:

- someone else was at fault, and you, give us the name, current residential address and vehicle registration of the person who caused the event, or
- your claim is for damage caused by a storm or other naturally occurring event.

If you make a claim and you are at fault, your No Claim Bonus will be affected and may be reduced when you renew your Policy.

Refer to page 18 for ways of protecting your No Claim Bonus.

OPTIONAL BENEFITS

OPTIONAL BENEFITS THAT CAN BE ADDED TO YOUR POLICY

If you select Comprehensive cover, you can also buy the optional benefits below for an additional premium.

Any options that you've bought will be shown on your Policy Schedule and only apply:

- once you've paid us the premium for the benefit
- from the date the benefit was listed on your Policy Schedule.

HIRE VEHICLE FOLLOWING AN AT FAULT INCIDENT

If your vehicle is damaged in an incident covered under this Policy, where:

- you're at fault, and
- your claim is accepted

we'll arrange and pay the reasonable daily cost of a suitable hire vehicle while your vehicle is being repaired or if deemed a write off:

- up to a maximum of 14 days,
- until your vehicle is repaired, or
- until we pay your claim

whichever happens first.

Alternatively, if you choose to arrange and pay for the hire vehicle we will pay you up to \$75 per day:

- up to a maximum of 14 days,
- until your vehicle is repaired, or
- until we pay your claim,

whichever happens first.

We are not responsible for ensuring that a hire vehicle is available. We need you to give us a copy of the rental agreement or any receipts for the hire vehicle so that we can reimburse you.

The cover will commence on the date your vehicle is taken to the repairer.

We won't pay for:

- loss or damage to the hire vehicle,
- running costs, including the cost of fuel,
- any insurance excess or other costs, including rental bonds which you may be liable for under the hire agreement, or
- any other additional hire costs.

We won't cover you under this optional benefit if the only damage to your vehicle is to its windscreen or window glass.

EXCESS FREE WINDSCREEN AND WINDOW GLASS PROTECTION

We'll waive the vehicle excess on your second and subsequent glass claims in any one period of insurance if your windscreen or window glass needs to be replaced as a result of accidental breakage.

Breakage is a fracture that extends through the entire thickness of the glass or where the windscreen is laminated, a fracture that extends through all layers of the windscreen.

NO CLAIM BONUS PROTECTION

Your No Claim Bonus won't be reduced if you make only one at fault claim during the period of insurance.

To be eligible for this option, you must have a current No Claim Bonus.

If you make more than one at fault claim during the period of insurance, your No Claim Bonus will be reduced at the next renewal of your Policy.

POLICY LIFETIME NO CLAIM BONUS PROTECTION

Your maximum No Claim Bonus won't be reduced or affected by any at fault claims you make.

To be eligible for this option you'll need to:

- currently have a maximum No Claim Bonus, and
- have held your Australian driving licence for 7 years or more.

FOUR YEAR NEW CAR REPLACEMENT

If your vehicle is:

- less than four years old, and
- hasn't travelled more than 100,000 kilometres,

we'll replace your car with a new replacement vehicle of the same make and model (or, if it's superseded, the nearest equivalent of the same make available in the market at the time of loss) if we declare your vehicle a write off as a result of an incident covered by this Policy.

To be eligible for this benefit you must:

- be the original owner of your vehicle, and
- have insured your car with us within the first three years of purchase.

When we supply the replacement vehicle we'll also pay for registration and stamp duty but not compulsory third party insurance.

However, if your vehicle's a write off and the provisions above aren't met, or you don't want a replacement vehicle then the sum insured will be market value at the time of the incident.

If your vehicle becomes four years old during the period of insurance this benefit will continue until your next renewal.

EXCESSES

An excess is an amount you have to pay whenever you make a claim.

The number of excesses and the amounts you pay are shown on your Policy Schedule. If more than one excess applies, you'll have to pay the total of all the excesses. If we find that your claim involves more than one incident, you'll have to pay the applicable excesses for each incident.

Excess type	When it applies
Vehicle excess	<p>This excess is the first amount you have to pay.</p> <p>This excess varies depending on the make and model of your vehicle, the State or Territory where your vehicle is used, and the level of cover you've chosen.</p> <p>You may also choose to reduce your premium by increasing the vehicle excess.</p>
Age excess	<p>When the incident you're claiming for happened while your vehicle was being driven by a person less than 25 years of age.</p> <p>This excess is in addition to the vehicle excess.</p>
Unlisted driver excess	<p>When the incident you're claiming for happened while your vehicle was being driven by someone not listed as a driver on your Policy Schedule.</p> <p>This excess is in addition to the vehicle and age excesses.</p>
Imposed excess	<p>This is an excess that may be required to cover your vehicle and if it does, it will be shown on your Policy Schedule.</p> <p>This excess is in addition to the vehicle, age and unlisted driver excesses.</p>

None of these excesses will apply if your vehicle is damaged in a collision with another vehicle and all of the following apply:

- the other driver involved in the collision was at fault (you may be able to help confirm this by providing a police report, expert reports, witness statements or photographs taken at the scene),
- you give us the name and address of the other driver and the registration number of the other vehicle.

An age excess or unlisted driver excess won't apply if your vehicle was stolen or was damaged while being driven:

- without your consent
- by a person in the motor trade who was servicing or repairing it, or was an attendant parking it, or who used it because a serious medical emergency had arisen.

SANCTIONS LIMITATION AND EXCLUSION

We will not be liable to provide any cover, pay any claim or provide any benefit Under this Policy, to the extent that to do so may expose us to any sanction, prohibition, or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

LAWS IMPACTING COVER

We will not be liable to provide any cover, pay any claim or provide any benefit under this Policy, to the extent that it is illegal for us to do so.

YOUR PREMIUM

HOW WE CALCULATE YOUR PREMIUM

Premium is what you pay us for your Policy and it's made up of the amount we've calculated for the risk and any taxes and government charges. Your premium, including any taxes and charges, will be shown on your Policy Schedule.

When calculating your premium we take a number of factors into account, including:

- the type of cover you've chosen, including any options that you've added
- whether you've chosen a market or agreed value for your vehicle
- the excess you've chosen
- the value of your vehicle, including modifications and accessories
- the age, make and model of your vehicle
- the address where you usually keep your vehicle
- what your vehicle is used for
- the age, gender, driving experience and claims history of the drivers
- any no claim bonus you're entitled to
- any special conditions that we've applied.

WAYS TO REDUCE YOUR PREMIUM

Nominated driver option

If you choose this option, we'll calculate your premium on the basis that your car will be driven by no more than two nominated drivers who are 30 years of age or over. The drivers you nominate will be listed on your Policy Schedule.

If your vehicle is damaged accidentally and wasn't being driven by a nominated driver, you'll have to pay any age excess or unlisted driver excess that may apply to that driver.

If your vehicle is stolen you won't have to pay any age excess or unlisted driver excess.

When you've taken this option, the cover type on your Policy Schedule will show as "Comprehensive (Nominated Driver Option)".

Choose a higher excess

If you choose to take a higher vehicle excess you'll receive a premium discount.

Multi policy discount

A multi policy discount rewards you with a discount off your premium for holding multiple eligible ANZ insurance policies with us.

To be eligible you must hold two or more current ANZ Home, Landlord or Car Insurance policies and be a named insured with the same name on each eligible policy.

How it works

- if you take out a new policy and you qualify for the multi policy discount, you are eligible to receive the discount on that new policy immediately and other existing policies will recalculate from their next renewal date
- the multi policy discount is calculated at each policy renewal based on the total number of eligible policies. The maximum discount is achieved by having three or more eligible policies.
- if you take out both buildings and contents cover under the same policy number, this is considered as one policy when calculating the multi policy discount.

If you believe that you are eligible for the multi policy discount and it does not appear on your Policy Schedule, please tell us.

No claim bonus discount

We'll move you up one level for each year you remain claim free, up to our maximum level. If you make a claim, your no claim bonus will be recalculated based on the number of claims you make.

See page 16 for more details.

HOW TO PAY YOUR PREMIUM

We offer a range of convenient payments options. You can pay your premium:

- annually in one lump sum, or
- fortnightly or monthly instalments, at no extra cost by credit card or direct debit.

PROBLEMS WITH PAYING YOUR PREMIUM

If you can't pay your premium, please contact the ANZ Insurance Centre immediately on 13 16 14, weekdays from 8am to 8pm (AEST).

We may cancel your Policy if:

- you don't pay your premium, or
- you pay your premium by instalments and you're more than one month behind.

If you pay by instalments, we may refuse to pay a claim if at least one instalment of the premium is overdue for one month or more.

YOUR POLICY

HOW TO RENEW YOUR POLICY

Before your current Policy expires, we may send you an offer to renew your insurance. This offer will include an updated Policy Schedule and provide a premium based on the information contained in your current Policy.

You'll then need to review the proposed Policy and premium. If you've any questions or would like to change your cover, you'll need to call the ANZ Insurance Centre on 13 16 14, weekdays from 8am to 8pm (AEST).

If you accept the conditions of the new Policy, you then need to pay your premium. If you paid your last premium by instalments, we'll continue to deduct payments, at the new amount, from your nominated account. If you paid your last premium in one lump sum, we must receive your payment by the due date, otherwise your vehicle won't be insured.

HOW TO CHANGE YOUR POLICY

It's important that all the details in your Policy are current and correct so we've tried to make it as easy as possible for you.

Changes to this Policy only become effective when we agree to them. We'll send you a new Policy Schedule detailing the change.

Contact us to change your policy or update your details

Call the ANZ Insurance Centre on 13 16 14, weekdays from 8am to 8pm (AEST).

Check the changes

After we update your details, you'll be sent an updated Policy Schedule. This Policy Schedule includes any changes or variations:

- you've requested, and
- we've agreed to.

It will also include any conditions we may have applied to that agreement, including any change in premium.

Pay your premium if it's increased

We'll tell you if your premium's increased. If you pay your premium by instalments, we'll adjust your instalments and commence deducting the new amount from your nominated account. If you pay your premium in one lump sum, we must receive your additional payment within one month.

If you replace your vehicle

If you replace your vehicle with another vehicle the cover for your original vehicle will end.

We'll provide cover for your newly acquired vehicle if you:

- sell or dispose of your vehicle,
- acquire your new vehicle within 14 days of the disposal of your vehicle,
- give us details of the new vehicle within that time, and
- pay any extra premium we require.

We won't provide this cover if your vehicle was disposed of when we're settling a write off claim.

CANCELLING YOUR POLICY

You can cancel your Policy at any time by telling us. If there are other people named as an insured on your Policy, we may rely on a request from one insured to cancel your Policy.

We may cancel your Policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date or if you told us something that you knew to be incorrect or untrue during your application for cover) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance and your Policy is cancelled, we'll refund you the proportion of the premium for the remaining period of insurance.

If you want to cancel your Policy, call the ANZ Insurance Centre on 13 16 14, weekdays from 8am to 8pm (AEST).

COOLING OFF PERIOD

If you change your mind about your Policy and haven't made a claim, you can cancel it within 21 days of the start or renewal date and we'll give you a full refund. If you cancel your Policy in these circumstances, you will have no cover under the Policy.

You can also cancel your Policy outside the cooling off period, see 'Cancelling your policy'.

WHEN THERE IS MORE THAN ONE INSURED

When there is more than one insured on your Policy, we may treat what any one of them says or does in relation to your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel your Policy or tell us where a claim payment should be paid.

NOTICES

Any notice we give you will be in writing and will be effective once it's delivered to you.

In the case of notices by email, we'll consider an email to be received by you when it enters your mail server, but in any event no later than 24 hours from the time it's sent out of our data system. In the case of notices by post, service of notices will be effective three business days after having been posted by us.

It's your responsibility to make sure we have your current email and mailing address on record, so you must let us know as soon as these change.

YOUR RESPONSIBILITIES TO US

CONDITIONS WHEN YOU'RE INSURED WITH US

There are conditions set out in this section, in the Claims section and under each particular cover and section. If any of these conditions aren't met we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- refuse to pay your claim or reduce what we pay for you claim
- cancel your Policy.

Assistance and co-operation

You must provide reasonable assistance to us, including:

- being truthful and frank at all times
- providing us with relevant information and documents, such as proof of purchase or repair quotes, if needed;
- telling us promptly if you've been contacted by someone about an incident, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if we ask you to;
- appearing in court and giving evidence if needed;
- making your vehicle available for us to inspect or examine;
- taking your vehicle, or allowing us to take it, to a place we require;
- responding to our requests in a timely manner.

At all times you must refrain from behaving in a way that's improper, hostile or threatening towards us, our representatives, our repairers or third parties involved in an incident.

If you don't cooperate in any of these ways, it may delay your claim, or we may reduce or refuse to pay your claim.

Care and maintenance

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to take reasonable care is a contributing factor, for example:

- leaving your car keys inside your car and leaving it unattended, such as when going to pay for petrol;
- failing to lock your car's windows and doors when you leave it unattended;
- continuing to drive your car after it has been damaged or is overheating;
- not securing your car after it has broken down, been damaged or you've been notified it has been found after it was stolen;

There is also no cover if:

- you've given someone permission to use your car and then they steal it; or
- you or anyone using your car admits fault or liability for an incident, unless we would have provided cover under your Policy anyway.

At all times, you must:

- prevent damage to property insured, as well as to others and their property
- minimise the cost of any claim under your Policy

There is no cover if, at the time of the incident, your car:

- did not meet registration requirements in your state or territory; or
- was unroadworthy or in an illegal condition, unless its conditions did not cause or contribute to the incident.

Changes to your circumstances

You must tell us as soon as possible if any of the information on your Policy Schedule is incorrect or has changed. For example, you must tell us if:

- there is any change to the names of the vehicle's owners, or
- there is any change to the use of your vehicle(s), or
- you have a change of address, including any changes to where your vehicle(s) are stored, or
- there is any change to the vehicle to be insured by this Policy, or
- there is a new regular driver of the vehicle, or
- your contact details like email, phone number or mailing address change, or
- you want to change the cover options selected, or
- you wish to modify your vehicle, or
- a non-standard accessory has been added, or
- there is any other change to the details listed in your Policy Schedule.

If you don't tell us, we may reduce or refuse to pay a claim.

If you wish to insure any fitted non-standard accessory or modification, each one must be advised to us for our acceptance, which we will confirm by issuing an alteration advice.

When you tell us about a change or request a change to your Policy, we will assess the change to the risk in accordance with our underwriting rules and processes. If you request any change to cover (for example, you choose to add a cover option) and we agree to the change, we will issue a new Policy Schedule and ask you for any additional premium.

If an additional premium is required, the change to your cover will only become effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium, or
- you have paid the additional premium by the due date we give to you. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the most recent contact details you provided to us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement Certificate of Insurance. If you request any change to cover and we don't agree to the change, then we will let you know and the Policy will continue unchanged.

If you tell us about a change in your car or car's value then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change then we will cancel your Policy and refund the unused portion of the premium.

- if we agree to the change, we will issue a new Certificate of Insurance and ask you for any additional premium, inform you of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:
 - if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
 - you have paid the additional premium by the due date we give to you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your Policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- the premium you have already paid on your Policy; and
- the remaining period of insurance.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your Policy.

Other interests

You must tell us of the interest of all parties (eg. financiers, lessors or owners) who'll be covered by your Policy. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy in relation to any claim they make.

CLAIMS

HOW TO MAKE A CLAIM

To help us make the claims process as easy as possible for you, please follow these simple steps for motor vehicle claims.

What to do after an incident.

Prevent further loss or damage.

Inform the Police if something was stolen or vandalised, or if you're required by law to do so.

Take details of other people involved in an incident or any witnesses to it.

Call us as soon as possible.

Complete a claim form if we require it.

Provide relevant information in support of your claim, including letters or notices given to you by another party.

Pay your excess.

What not to do after an incident.

Admit guilt or fault except in a Court or to the Police.

Offer or negotiate to pay a claim or make repairs.

Admit liability.

Dispose of damaged items unless we've said you can.

Authorise repairs except for essential temporary repairs.

Unnecessarily delay telling us about an incident as it may reduce the amount we pay for your claim.

Give us false or misleading information.

Call us on 13 16 14 (24 hours, 7 days) to make a claim.

Our Claims Assistance Service is open 24 hours, 7 days a week so we can give you immediate advice and assistance with your claim. You'll need to make your claim as soon as possible as any delays may reduce the amount that we can pay, or prevent us from paying a claim.

To help us assess your claim when you call, we'll ask you a range of questions and you may need to:

- provide proof of ownership of your vehicle, or any personal items, baby capsules or child seats,
- allow us to assess your vehicle,
- provide quotations from a repairer.

At the time of making a claim under the Policy, you must provide us with certain GST information relevant to both your Policy and your claim. If you do not provide us with this information we may deduct up to 1/10th of the amount otherwise payable in settlement of your claim.

You must not:

- admit guilt or fault (except in court or to the Police)
- offer or negotiate to pay a claim
- admit any liability.

HOW WE SETTLE YOUR CLAIM

If your vehicle suffers loss or damage as a result of an event that we have agreed to cover, we will either:

- repair your vehicle
- replace your vehicle
- pay you the cost to repair your vehicle, or
- pay you the agreed or market value as listed on your current Policy Schedule.

If your claim is a liability claim, we may choose to take over the defence of the claim.

When we settle your claim, the law that'll apply is the law of the State or Territory where the loss, damage or liability occurred.

If you make a claim under Comprehensive cover for your vehicle, your No Claim Bonus may be affected.

If you need to pay an excess

When an excess applies to your claim, we'll let you know when and how to pay the excess as this will depend on how your claim is settled. For example:

- if we repair your car, we'll normally ask you to pay the excess to the repairer before they start the work
- in some instances, we'll ask you to pay your excess to us such as where a repairer or supplier is not able to accept an excess payment or your car is a write off and we replace it with a new one
- if we pay you the reasonable cost to repair your car, we will deduct the excess from the amount we pay you,
- if your car is a write off and we pay you the agreed or market value for your car, we will deduct the excess from the amount we pay you.

We will not pay for any costs that result from a delay in paying an excess.

CHOOSING A REPAIRER

We have an accredited repairer network to help you get back on the road. When you lodge a claim we'll recommend a QBE repairer where one's available, or alternatively you may nominate your own repairer.

You have to ask us before getting your vehicle repaired.

Where we recommend our repairer, we'll:

- need to assess your vehicle before authorising repairs, and
- pay the cost of repairs directly to the repairer we authorise.

Where you nominate a repairer, you must:

- get a quote from an appropriately licenced repairer of your choice,
- get a quote from a repairer of our choice if we ask you, and
- allow us to assess your vehicle before authorising any repairs.

Paying repair costs

We'll pay reasonable costs to have your vehicle repaired. Reasonable costs are determined by a number of factors, which may include:

- the advice of an experienced motor vehicle assessor we've appointed,
- a quote from another repairer of our choice, and
- any adjustment allowing for method of repair.

If you've chosen the repairer we will either pay the repairer directly or pay you the reasonable cost of repairs.

We will pay the reasonable cost of repairs in the following circumstances:

- if you disagree with our assessment of required repairs or their cost;
- if parts needed for repairs are not readily available;
- if we are concerned about the pre-incident condition of your car;
- if we are concerned about the timing or conduct of repairs; or
- if we cannot agree with you or your chosen repairer, about the quote or the repair method for example.

If we choose to pay you directly, we'll deduct:

- any excess, and
- any input tax credit you are entitled to under *A New Tax System (Goods and Services Tax) Act 1999*.

Authorising repairs without asking us first

If you authorise repairs without asking us first, we:

- will be unable to provide our lifetime guarantee on repairs (see page 11), or
- will, where permitted by law, pay no more than the reasonable cost of repairs

REPLACING DAMAGED PARTS

Within manufacturer's standard new car warranty period

If your vehicle is covered under the Manufacturer's Standard New Car Warranty (not including an extended warranty period), we'll use manufacturer's approved parts in repairing your vehicle. If the part is a windscreen or a body glass then we may use non-manufacturer parts but only if they're compliant with Australian Design Rules.

Outside manufacturer's standard new car warranty period

We may use new, recycled or reconditioned parts when repairing vehicles no longer covered under the Manufacturer's Standard New Car Warranty. Where the use of recycled or reconditioned parts is requested, we'll only use the parts if they are equal to or exceed the quality of the part being replaced.

In repairing your vehicle, we may arrange for a part of the repair to be carried out by a specialist service provider, for example windscreen repairs.

You may have to contribute to the costs of repairs

In circumstances where the condition or appearance of your vehicle improves as a result of replacing old with new parts, or repainting more than the damaged area, we may need you to contribute towards the cost of repairs. If this may be necessary, we'll confirm with you beforehand about how you would like to proceed.

If parts and accessories are unavailable

If parts and accessories for your vehicle aren't available:

- in Australia, or
- can't be sourced reasonably,

we'll only pay the last known price of that part in the latest suppliers' list within the State or Territory where repairs are being carried out.

If parts and accessories are able to be reasonably sourced from outside Australia we'll only pay the reasonable freight costs of getting parts to the repairer.

If your vehicle is a write off and we pay you

We'll pay you the agreed or market value of your vehicle, as listed on your Policy Schedule, after deducting:

- any excess,
- any unpaid premium,
- any input tax credit you would have been entitled to under *A New Tax System (Goods and Services Tax) Act 1999*, and

- the value of any pre-existing unrepaired damage.

After we settle your claim for a write off your Policy comes to an end and no refund of your premium is due. Any salvage becomes our property.

If your vehicle is a write off and we replace it

We'll replace it with:

- a vehicle of the same make, model and series, provided it is available locally, or
- the nearest equivalent in the market at the time of loss.

We'll also cover:

- the dealer delivery fee, and
- the first 12 months of registration and Compulsory Third Party (CTP) insurance, if applicable on the replacement vehicle.

If your vehicle's under finance, we'll need written consent from your financier before we can offer you a replacement vehicle.

You'll need to pay:

- any excesses that apply, and
- any unpaid premium.

We'll tell you who to pay these to.

CLAIMS CONDITIONS

Where allowed by law, we have a right to recover from any person, the amount of any monies payable to you under the Policy. We will only pay a claim where you have complied with the following conditions:

- you and anyone claiming under this Policy have to be honest and you must give us any relevant information or reasonable assistance we require to investigate and process your claim, including any contact details you have for any occupant of your vehicle,
- you mustn't admit liability or responsibility for a claim,
- you must take reasonable precautions to prevent and mitigate any further loss, damage or liability arising,
- you must contact the Police immediately if your vehicle is lost, stolen, vandalised or maliciously damaged and provide details of the report to us. We may need the police report number to process your claim or our recovery action if there is a third party who is liable for your loss,
- you mustn't repair or authorise repairs to your vehicle without our consent, and
- you must make your vehicle available for inspection.

Contribution and other insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after we have paid a claim by replacing or paying to replace any items or materials. We may sell the items or material and keep the proceeds.

Providing evidence and information

You must be able to demonstrate that you've suffered a loss covered by your Policy for your claim to be accepted. We may ask you for this information if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following records:

- police reports
- medical reports
- proof of loss or damage
- proof of ownership
- receipts or tax invoices.

We won't pay any claim when the only proof of ownership is:

- a photograph
- a photocopy of any documentation
- a copy of information downloaded from the Internet

unless you also submit a statutory declaration in support of these items attesting to you being the owner of the item(s) you're claiming for.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the car is a business which is, or needs to be, registered for GST. In that case, we'll reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

Unless we say otherwise, all amounts in your Policy are inclusive of GST.

How claims administration and legal proceedings are undertaken

When we pay a claim under your Policy, we have the right to exercise your legal rights in your name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence. When we do any of these things in your name, it will be at our expense, however you'll need to give us reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid. During the administration, conduct or settlement of the recovery, you can seek an update on the status of proceedings and we will consult you where appropriate.

When we pay a claim and some of the loss isn't covered by your Policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents that support your loss and agree with us on how we'll handle that recovery.

You may also need to contribute to the associated costs if, to recover the loss for you, we need to take additional steps that we wouldn't otherwise need to take. We will talk to you about these steps before we take them.

If you've received a benefit under your Policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover our reasonable administration, investigation and legal costs.

We'll also report any suspected fraudulent act to the Police for further investigation.

Preventing our right of recovery

If you've agreed with or told someone who caused you loss, damage or liability that you won't hold them responsible then, to the extent we've been prejudiced by this act, we won't cover you for that loss, damage or liability.
